

ELEC 232 : ART Network II Documentary Production

Documentary Production. Students will work in a highly collaborative environment to create and produce a one-hour documentary on a topic relevant to the community or region. The production will meet broadcast standards, and will be aired on ABC Channel 7 in Sarasota. Areas covered in this course will include: presentation skills, research, budgeting, concept and story development, scheduling and coordination, storyboarding, show package design, camera and audio operation, field production, interviewing techniques, post-production, and editing.
