

Part-Time Students

Degree-seeking students, who cannot attend full time because of personal or professional reasons, will be considered for admission on a part-time basis. Part-time students may enroll in classes on a space available basis. Part-time students will apply through the regular admissions procedure. There is no guarantee about their ability to finish all the courses required for the degree within any time frame. No course may be taken without its prerequisite.

Class standing will not be advanced until all of the requirements for each level are completed. Tuition for part-time students will be per credit hour.
